

The BUTLER BANNER

A Publication of Butler Third Ward, Church of Jesus Christ of Latter-Day Saints
Volume I, No. 6

April 1981

Bishop - J. Dan Mackintosh
1st Counselor - Maurice L. Watts
2nd Counselor - Maitland G. Spencer

Editor - Iris Beattie
Assistant Editor - Bernice Dean
Title Page Design - Dee Scharman

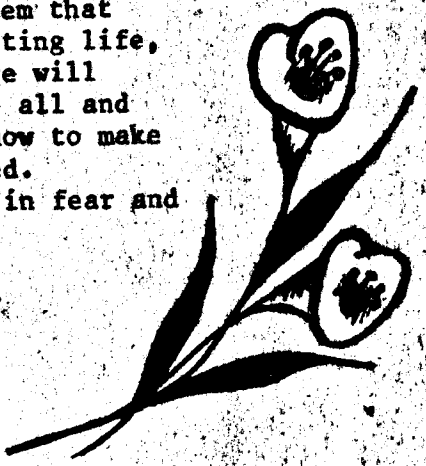

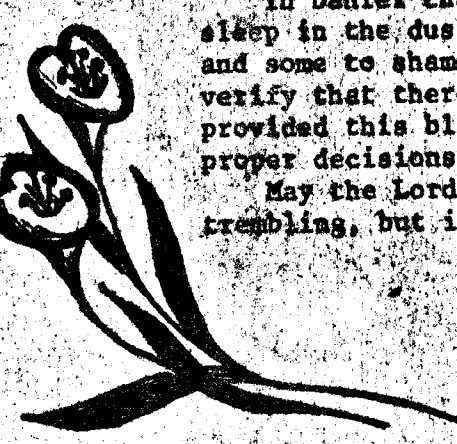

These past few weeks have shown us some beautiful spring weather and with that comes the budding of trees, sprouts of growth from the ground, and birds chirping, anxious to make nests. We humans also find a yearning to get outside and dig, rake, and clean up the leaves and debris from the long winter shut-in.

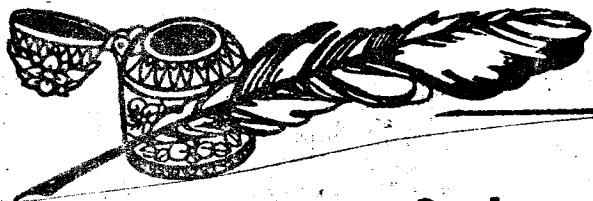

It is little wonder then, that our Heavenly Father planned to have his Son, even Jesus Christ, show the example to the world of life after death, through resurrection, at this prime time of the year. May we each take this teaching moment to expand beyond the traditional Easter bunny and give agency to the real significance of Easter. Our belief is in a rebirth for all, to come forth from the grave with future destinies.

In Daniel chapter 12, verse 2, we find, "and many of them that sleep in the dust of the earth shall awake, some to everlasting life, and some to shame and everlasting contempt." This scripture will verify that there is a resurrection, that our Lord loves us all and provided this blessing. It also tells of our free agency now to make proper decisions for our future, so we won't be disappointed.

May the Lord bless us to each make proper choices, not in fear and trembling, but in faith, to do what is right.

Happy Easter
Bishop Mackintosh

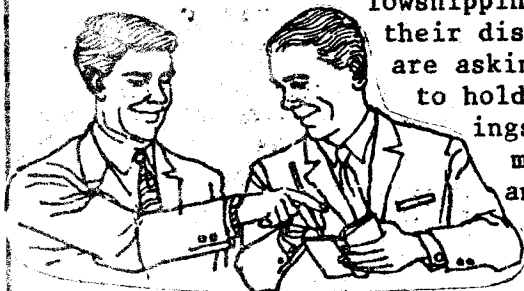

Mission News

Washington Spokane

Lynn is still in Puyallup, Washington. He and his companion are trying to instill a fellowship program in their district. They are asking the members to hold Cottage Meetings for their non-member friends and the missionaries are introduced to them that way.

Lynn said that the neatest thing happened a few weeks ago. He got a call from his district leader who told him that a fellow named Robert Cortines had joined the Church. Lynn taught him the first discussion when he was in Walla Walla, but then Lynn was transferred and hadn't heard about him since. Robert was baptized and one month later was called as a Stake Missionary. Since that time he has brought more than 100 people into the Church. The thing that really made Lynn feel good was that he bore his testimony to Robert and the Holy Ghost touched Robert at that time and he knew the Gospel was true. Robert even wanted Lynn to baptize him, but he couldn't since he had already been transferred.

It is experiences such as this that makes a mission worthwhile both for the missionary and his family.

Mom Spencer Reporting

Elder Lynn Spencer

Spokane, Washington 99214

Chile Osorno

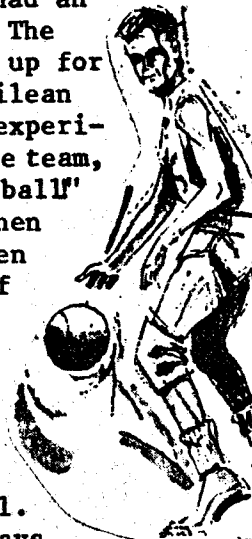

Jim has been rubbing it in about spending some P-Day time out in the hills and meadows with flowers blooming and birds singing, eating fresh fruit and stuff. It is summer in Chile.

He and some fellow elders had an exciting experience recently. The District President signed them up for three basketball games with Chilean teams. It was an eye-opening experience! They stomped the practice team, after one elder yelled "Jungle ball!" But it was a different story when they got to the real play. When they started to get the best of the local team, the refs began to use their whistles till things changed! Jim said they play more like a gangfight with referees and spectators. Jim, being in the middle, got beat on a little by one and all. He was pretty stiff for four days afterward. He got a kick out of it all (sorry about that pun!), but the elders lost.

We heard they've warmed the climate as far as missionary work goes, too. When Jim went into Puerto Varas, missionaries weren't very welcome. Now things are much better, and they are aiming for successful efforts.

Mom Ostler Reporting

Elder Jim Ostler

South Carolina Columbia

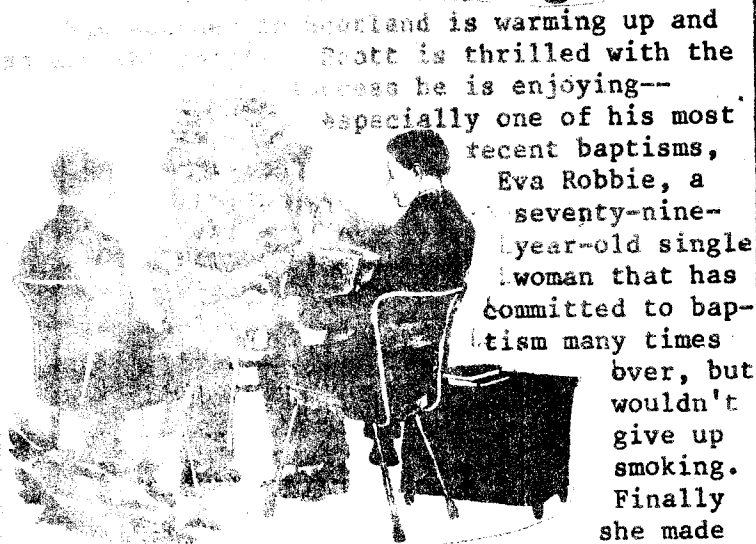

Dyke Briggs left for the South Carolina Columbia Mission on March 11. His Mission President is Robert Parker. Since we haven't received a letter from South Carolina, we can only share his feelings about the M.T.C. He reports never working so hard and growing so much as he did the four weeks he was there. At the airport it was a pleasant sight--Dyke was clean, polished, hair cut short (still curly) and no grease under his fingernails! He was anxious to tell the world about the Gospel and it was easy to sense his new strengthened testimony.

Elder Dyke Briggs

Mom Brasher Reporting

Scotland Edinburgh

Scotland is warming up and Elder Scott is thrilled with the success he is enjoying--especially one of his most recent baptisms, Eva Robbie, a seventy-nine-year-old single woman that has committed to baptism many times over, but wouldn't give up smoking. Finally she made

the decision and followed through. Some of the big things that have happened to Elder Scott last month are: he passed his driver's test, which cost close to \$200.00; and he received the Master Missionary Plaque given by their Mission President for outstanding achievement. (Scott told me I couldn't put this in the news, and I told him I couldn't either, I forgot.) We are really proud of his accomplishments and enthusiasm.

Oklahoma Tulsa

Elder Kyle is really enjoying his new location in Tulsa, Oklahoma. It is more of a rural area, with hills and scattered around. He now has the use of a car instead of bicycles, which is a nice change. He says there is a cat in their apartment, which was there when they moved in and is now a permanent resident, but he doesn't like it.

There is going great in Tulsa, too. Kyle has had his first baptism, and that's a great milestone for a missionary!

Mom Hansen Reporting

Pennsylvania Pittsburgh

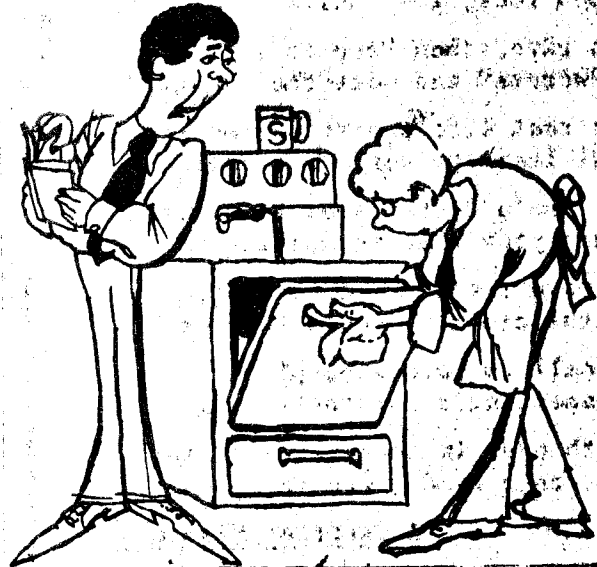

Kerry is in Ellwood City, Pennsylvania, and enjoying the great blessing of a mission. There are many people to talk and work with--yet the Lord guides them to those that are desirous of learning about the Gospel. It makes one thankful for the blessings the Lord has given to us for membership in this Church.

Kerry says they are getting a spring-like day here and there and that's a great relief after a very cold winter. He likes the countryside where they are laboring.

It has already been nine months out for Kerry and we see the growth that he has gained from his mission.

Mom Anderson Reporting

Elder Kerry Crofts

Suite 207
Pittsburgh, Pennsylvania 15241

Are you sure you read the recipe right? I never heard of baking something 350 minutes at 30 degrees.

Instinctively we strive to win—
No matter what the race,
A still small voice within us says,
"Don't slacken off the pace."

Not all of us can come in first,
There must be also-rans.
He wins a special vict'ry though,
Who does the best he can.

And when it's run, the question's posed,
Who really won the race,
He who did the best he could,
Or he who took first place?

Brasil Sao Paulo South

"The work is going really great down here. We have had several baptisms, although they have been mostly children of parents who have already been baptized. The Church is really growing fast down here and all over the world. Sometimes I think that we are going to run out of people to teach and baptize, but President Cardon said that is what he thought when he was here on his mission twenty years ago. It's really great to be on a mission!

All take care and have a really great month and just keep busy and happy and all. TELL the folks in the ward and area howdy for me."

(Gary's letter to his Mom)

Elder Gary Bishoff

"QUIT TORTURING YOURSELF ELDER THERE'S NOT A MCDONALDS WITHIN FIVE THOUSAND MILES OF THIS PLACE."

My Prayer

What shall I do, O Lord?
A decision I must make.
I've prayed and pondered in my heart,
I have so much at stake.
I want to choose the way
That will be right for me.
I seek thee, Lord, in love and faith.
I ask on bended knee.
By the power of the Holy Ghost
Confirm if my decision's right.
Whisper softly to my heart,
That I may live in truth and light.

Japan Fukuoka

John was transferred from Okinawa North to Sasebo, Japan. He was hoping he could stay in the southern warmer climate until Spring so he could send all his winter clothing home and wouldn't have to pack it with him.

They have a new chapel in Sasebo. I understand it is only a prefabricated building and only a chapel (no classrooms or cultural hall), but they are very happy to have that.

His companion is Elder Averkamp from Granger. John is looking forward to serving in Sasebo.

Mom McGuire Reporting

Three of our missionaries have birthdays in April, and I'm sure they would appreciate being remembered by members of the ward. They are:

Kyle Hansen - April 11
Kerry Crofts - April 18
John McGuire - April 30

HAPPY BIRTHDAY ELDERS!

Relief Society

The anniversary of the first Relief Society was celebrated on Friday, March 27, 1981. A luscious dinner was served followed by outstanding entertainment by the International Folk Dancers. We hope everyone enjoyed this special evening.

The month of April is 100% month. All organizations are encouraging 100% attendance at all meetings, 100% home teaching and visiting teaching. --

On April 7, a First Aid Class will be given at Relief Society Homemaking Night beginning at 7:30. All adults (husbands are welcome) are invited. The Relief Society leaders are excited about this opportunity to learn and re-learn some basic skills. This one-time mini-class would be excellent preparation for parents to teach first-aid skills in a Family Home Evening. Refreshments will be served.

Visiting Teaching Meeting will begin as usual at 7.

SPECIAL EVENT, TUESDAY, MAY 5, 1981

Plan now to attend Butler 3rd Ward WELFARE FAIR. This will be an exciting evening for all adult members of our Ward and neighborhood. Plan to meet and share instruction, counsel, experience, and inspiration regarding the Welfare Services of the Church. This meeting is for everyone! Many ideas will be given about individual and family preparedness, food storage, and production, and other aspects of this part of the Gospel. It will be a fun and interesting event! You will want to plan now to attend Tuesday, May 5, 1981.

Stuffed French Rolls

- 2 doz. soft French rolls - halved
(other rolls are fine)
 - 1 lb. Cheese (grated)
 - 3 hard cooked eggs (grated)
 - 1 can green chili (chopped)
 - 1 can chopped ripe olives
 - 1 can tomato sauce
 - 6 chopped green onions
 - 1/2 cup oil
 - Garlic salt
- Mix ingredients together and put on roll halves.
Heat in 350° oven until hot and bubbly (10-15 minutes). Serve hot. Can also be used as a cold sandwich spread.

Apricot-Orange Slush

- 1 qt. apricots - blended
- 1 12 oz. can frozen orange juice
- 2 ripe bananas - blended
- 3 cups sugar
- 2 pkgs. Orange Kool-Aid

Add enough water to make 2 gallons.
Add 1 gallon Orange Sherbet and
2 quarts Sprite.

RELIEF SOCIETY RECREATION:

Would you like to learn some new games for family fun? A cheap Family Home Evening for this summer's activities perhaps? Cathy Crawford will demonstrate some games and activities on Tuesday, April 14, at 1 p.m. Please give her a call and/or sign up in Relief Society.

Racquetball Round Robin (not a Tournament):

Cathy Crawford is working up a schedule for a Round Robin in Racquetball so a different person plays another person each week. This is just a chance to practice with different ones. After the schedule is set up, the players will have to get together at their own convenience.

Ice Skating: Anyone interested in going ice skating? Let Cathy know; it is available until the end of May.

Call Cathy Crawford at 943-3258 if you know of any interesting, inexpensive cultural activity we might do together.

PRIMARY

Merrie Miss girls, Kerrie Redmond and Marie Poulson graduated from Primary to Mutual into the Beehive class during March.

Because of the small size of Primary, children have frequent opportunities to give talks, scriptures and prayers. We invite parents (others, too) to visit and hear their child's talk if they desire.

New areas of responsibility for the Primary Presidency: The President is over the Blazers and Merrie Miss classes; the First Counselor is responsible for the nursery, Sunbeams and Star classes; the Second Counselor is now responsible for the CTR's and Targeteers.

The Primary "Spotlight" featured Brian Reeves, Kerri Redmond, and Daren Beattie during the past few weeks.

NEWS BRIEFS

Daniel Karl Larish was ordained a Deacon by his father.

Evan Haymore Taylor was ordained a Teacher by his father.

Butler 3rd Ward members released and/or sustained:

Rea Steffensen released as Visiting Teacher Leader in Relief Society.

Mary Barbour sustained as Visiting Teacher Leader for the Relief Society.

Kathleen McGuire sustained as Spiritual Living Teacher in the Relief Society.

Congratulations to all!

Our faithful Sister Haymore has recently returned from a two-month visit with the families of four of her sons who live in Arizona. This is an annual excursion for her, and she says they always pamper her whenever she goes there, and she always has a great time. Here is her report:

Hello Butler Banner!

I'm back again after almost two months in sunny Arizona; and I came back to get warm. Tucson, Phoenix, and Douglas were rainy and cold. The farmers and ranchers needed the rain and were glad, but who can jog two miles in that weather?

I was a faithful member in the Sunday School class in Arizona but each Sunday I wondered what President Nydegger had given that day.

Arthur Taylor was glad to know that Douglas has two Wards now, the second one in Spanish. The Douglas Chief of Police is Bishop of that Ward. Sierra Vista (nearby) has three Wards, with a Stake House under advisement. Tucson is pushing to the foothills. Zion is growing in Arizona!

The Temple marriage I attended was a beautiful occasion. The bride was converted to the Gospel when she was nine years old through the Primary and by 1974, finally converted four other members of her family.

The new babies, birthdays, anniversaries, and missionary parties kept me busy. My 80th grandchild was one of these.

I have one complaint of the Butler 3rd Ward. It always reorganizes while I'm away; one year the Stake President, the next year, the Bishopric, and this year the Relief Society.

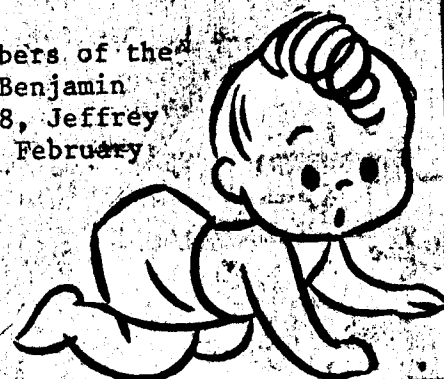

NEWS BRIEFS

Several Ward members have spent time in the hospital recently: Edith Brown for her eyes; Lisa Major - pneumonia; and Rea Steffensen - foot. Hope you are all back on the road to perfect health now!

Jedediah Mark Berhold was born March 16 to Stella and Mark Berhold at 7:20 a.m. He weighed 7 lbs. 8 oz. and was 21 inches long. Congratulations!

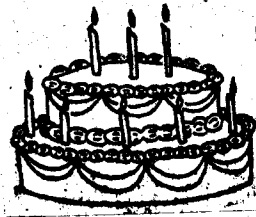

We are also happy to report a few new grandchildren to members of the ward. Bob and Kathy (Spencer) Bartel had a boy on February 9, Benjamin Spencer Bartel. Craig and Sherrie Perry had a boy on February 18, Jeffrey Craig Perry, and Tony and Debbie (Perry) Rogerson had a girl on February 8, Nathyn Anne Rogerson. Congratulations to all!

Happy Birthday!

- 30 - Volleyball: Taylorsville 8th Ward, 1495 W. Tamarack (4565 S.), 7-10:30 p.m.

IMPORTANT ANNOUNCEMENT

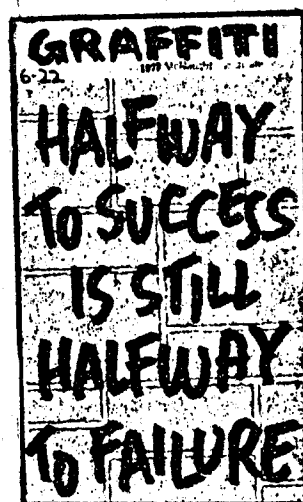

As a part of the four-generation program, all families in the Church have been asked to submit an accurate pedigree chart and corresponding family group record forms to the Church's Ancestral File. Adult brothers and sisters, together with their parents, should compile and submit one set of records for the family.

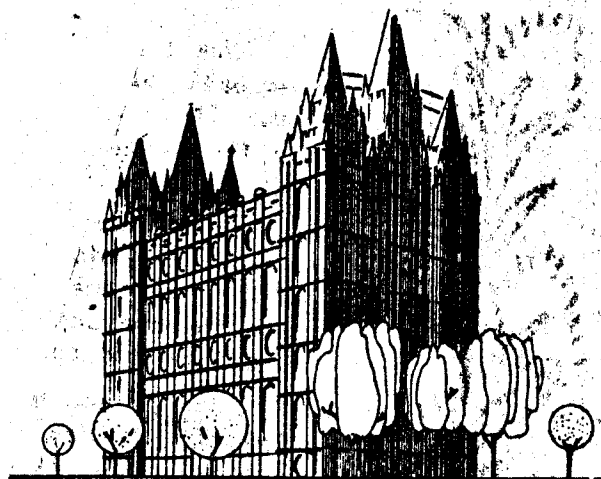

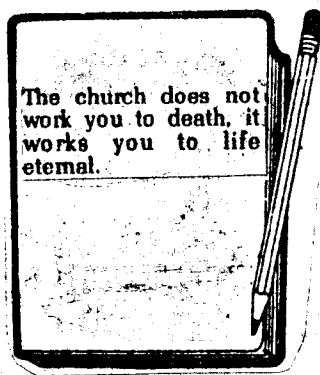

It is important that families work together on this assignment, that all family members agree that their records are accurate, and that they submit just one set of records for the family.

Before submitting their four-generation records, each family must decide to what extent they need to verify and document these records. In deciding this, families should be guided by these suggestions:

1. Be thorough but reasonable. If in spot-checking previous research, you find that it is accurate, you do not have to redo all the work.
2. Be cautious of evidence based solely on memory. Whenever possible, try to cite an official record, such as a birth or marriage certificate, but avoid undue expense to obtain copies of such records unnecessarily.
3. List your sources of information in the space provided on the form, using the back if necessary,
4. When listing sources, give information that someone else seeing the form could find the original source of information.
5. You may use footnotes to indicate which item came from which source, as is done in the manual "From You To Your Ancestors", but you do not have to use this method of documentation.

THANKSGIVING

We give thanks for the beautiful country that lies around us.
We give thanks for the grains and vegetables and fruits prepared for us.
And we give thanks for the growing trees and flowers about us.
We give thanks for the rain that falls and the sun that shines down upon us.
We thank God for the mountains that tower above and for the rocks that give us shelter and give us beauty.
We give thanks for the sky above us and the earth below us and the birds that fly between earth and sky.
We give thanks for the cloth to make sails and the wood to make boats that sail on the waters.
We give thanks for the little streams that flow.
We give thanks for the tide that rises and lets us go out in our boats.
We give thanks for the sea with fishes in it.
We thank God for all the living creatures on the earth.
We give thanks for the fire that warms us.
We give thanks for warm clothes and beds and houses to live in.
We give thanks for schools to learn in.
We give thanks for the beauty and love all around us.
We give thanks for all the things that the Lord has set upon the earth.

First you chew up a wad of bubble gum and then you put some on each shoe.
