## "A DAY OF THANKSGIVING"

Our Pilgrim forefathers, whose great ambitions to be free from the Mother Country's religious oppressions and government taxations, helped to found this great country, wherein the gospel of Jesus Christ of Latter-day Saints could be restored to the earth, that all in the whole world could someday hear.

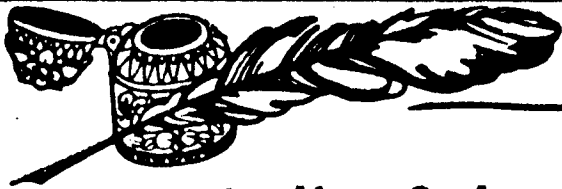

Despite the persecutions to the members of the church and finally the martyrdom of the prophet Joseph Smith, this restoration of the true church could not have happened logically in any other country without being snuffed out completely.

Now as we partake of the bounties of prosperity, however humble and modest they may be, let us resolve and meditate to be grateful for the opportunity to enjoy a "Day of Thanksgiving" and thank our Maker for the great privileges we enjoy as members of our church and citizens of this great country.

Love,  
Bishop Mackintosh

## Australia Sydney

Todd just received in the mail a photograph of his parents surrounded by the beautiful flowers of Spring, and he says they really look good!

They have changed the format for their zone conferences a bit, and instead of having the testimony meeting at the end, they ask all of the missionaries to fast the day before, and then share their testimonies first thing.

This provides great spiritual strength which then carries on through the remainder of the conference and into the missionary work.

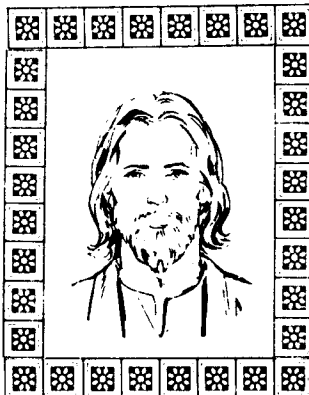

Donna has been busy sharing her talents with the sisters in Relief Society again, showing them how to make lovely Christmas decorations. Australia is apparently void of many of the neat craft supplies that we have here, so she has been having the kids back home send her the things they need.

## Japan Osaka

Lance has a new companion, Elder Raymond, from Sacramento, California. Apartments are hard to find in Japan, so the mission keeps apartments and just moves the missionaries around. Under this arrangement, they have four missionaries in an apartment. One of the other sets of missionaries is Elder Suzuki from Northern Japan. They help each other with Japanese/English--the others call him their dictionary.

An elderly lady came up to Lance in a mall while they were proselyting recently and said her son had just died.

Later she called and arranged a meeting. She said she was going to die soon and wanted them to have her most precious possession, since none of her family were Christians. She gave them a very old framed picture of the Savior. It was most touching.

## Germany Frankfurt

John is still in the city of Mannheim, but has moved to a different apartment. They have been working with the Americans there who are in the service, but apparently the servicemen aren't very interested in learning about the gospel because he reports the work has been slow lately.

Dad Gygi Reporting

## Uruguay Montevideo

Bret is working in a suburb of Montevideo and doing very well. They have challenged two families for baptism the first part of November.

The area where they are working is near the beach and is mainly a tourist spot for the summer season, so now that spring is on it's way in Uruguay, they're hoping to meet some interested tourists.

Bret writes that he has been eating very well down there. Although the people normally eat only one meal a day, the members feed the missionaries three good meals each day.

## Denmark Copenhagen

Ronda is having a wonderful time as she is ending her stay at the MTC. She is scheduled to leave on November 22 at 8:51 am (Western). Two Elders and two Sisters will be going with her.

It's been fun at the MTC because the films they have seen about Denmark and the missionary work there showed a lot of people she knew--several stayed in our home--and she said she was ready to go right now, but they told her, "No bananas." She also knows two of her teachers.

When she first started on the language she was picked to pray seven times in one day; and when the General Conference session for sisters was presented, she was called on to pray in her language. She had only been there three days, but she felt she did okay. She had never prayed in Danish before.

Ronda sends her love to all in the ward, and would love to hear from you.

## Hong Kong

A typhoon which registered 10 on the Beaufort Scale whipped through Hong Kong causing a lot of damage. The missionaries were advised to stay in their apartments which was boring torture for Steve. He made a tape for us while the strong wind was blowing outside. He told us of trees blowing over, wooden houses falling in on people, ships being thrown up onto the islands, and he heard the neighbors window crash in. He said the missionaries had been blessed and protected.

We had the privilege of having Steve's first Hong Kong companion, Todd Banner, at our home for dinner. It was very interesting to hear more about the Hong Kong culture and to see slides that he had taken.

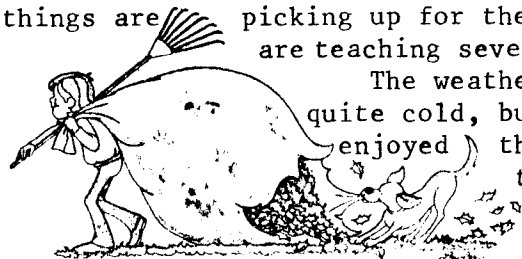

Steve has been doing a lot of baptismal interviews. He interviews all the zone leaders and investigators. He said it is fun talking to them and getting to know them, although the number of investigators is a little low right now. That's the way the mission work goes at times.

We send our love.

Mom Hansen Reporting

## Wisconsin Milwaukee

Rick is still in Iron Mountain, Michigan, and has been serving there nearly six months with three different companions. He reports that things are picking up for them and that they are teaching several new contacts.

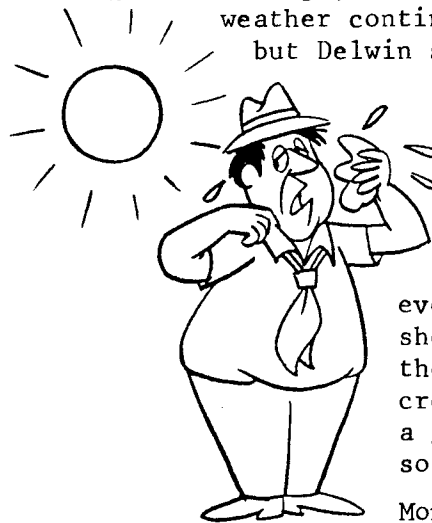

The weather is becoming quite cold, but he has really enjoyed the beautiful autumn they've had.

Mom Spencer Reporting

## Columbia Bogota

It is transfer time for Delwin. He is now laboring in Sincelejo, Sucre Columbia. The weather continues to be very hot, but Delwin says he is getting more used to it.

Baptisms keep coming regularly. He is hoping to baptize a family of 9 soon.

He says there isn't even a good hamburger shop in Sincelejo, but there is one good ice cream parlor that makes a great banana split, so he can't complain.

Mom Clawson Reporting

## Ecuador Guayaquil

Brent and his companion have discovered a family in the wealthy area of Guayaquil that is rich but behave like the poor folks in the sense that they want to share everything that they have. He feels they are really pure in heart. When Brent explained to them that in our church we get married in the temple for time and eternity, the wife said to her husband, "Oh honey, let's be Mormons!"

In the Ecuador Guayaquil mission there are now 147 missionaries--and only nine are Latins. Their mission president announced at zone conference that all of the lady missionaries would be supplied with hot showers. There is a little gadget they can put in the shower to make hot water. (Mother's note: I guess the Elders haven't heard about equal rights!)

As we look around us with appreciation at this beautiful Harvest Season we see many reasons to be thankful to our Father in Heaven for His abundant blessings. For some, however, the thought comes: "Oh, if I had only planted that last spring look what I could have now," and there are regrets for what we might have done.

In many ways goal-setting is like spring planting except that instead of waiting until spring, it can be done now.

Let us all do a little "now planting" in our spiritual gardens so that our spiritual harvest will be as beautiful as this one.

President Kimball has said, "I believe in goals, but I believe that an individual must set his own. Goals should always be made to a point that will make us reach and strain. Success should not necessarily be gauged by always reaching the goal set, but by progress and attainment."

# Young Women

All the Young Women of the Stake took part in a Standards Event on Saturday, October 15 at 9:00 am. The event began with an excellent speaker. Darcianne Johnson also gave a good talk. There was a Young Women's choir which performed as part of the entertainment and several girls from our ward sang in the choir. The event was concluded with delicious refreshments, and we were also given favors to take home which were made by the Weenigs.

Stenciling was the new craft for the Young Women which began on Wednesday, October 19.

The Young Women and Young Men enjoyed a 50's costume dance, which was held jointly with the 31st Ward on October 26. We all danced to the music of the 1950's and feasted on yummy treats.

## PRIMARY

The Primary is sorry to lose Karen Gollaher as our Merrie Miss Teacher. She has done an excellent job with the girls. We wish both Karen and Stephanie well in their new home.

We are pleased to have Nora Larisch teaching the Merrie Miss girls. We hope she enjoys the calling that has come to her.

On October 23rd the Primary put on their Sacrament Meeting Program: "Turn the Hearts of the Children." We were very pleased with it. The children did a good job in singing as well as their speaking parts. A special thanks to Laverna Clawson for being our Grandmother, to Donna Bates for playing the piano, to Sarah Weenig for playing her violin, and to Scott Rowe for his solo on the song, "Baptism." A very special thanks to Terry Glad, who was in charge of the program. She organized it and assigned the children their parts and helped them learn them.

We could never have a good program if we didn't know the songs, so we want to let Stella Berhold know how much we appreciate her teaching us the Primary songs. She does a great job. Thanks, Stella!

Kathy Clayton,  
Primary President

Editor's note: Those of us who enjoyed the Primary Sacrament Meeting Program also want to express our appreciation to the leaders and children who worked so hard to make it the best program any of us can remember. The sweet spirits of the children and the messages they conveyed were so special--thank you so much!

# Scouts

TROOP 311

Camp was held at Corner Canyon east of Draper.

Blazers, Scouts, and some Varsity Scouts attended and had an excellent time. It was cold, but dry and we were glad for that. A fun game of "Steal the Flag" after dark added to the fun of the campout.

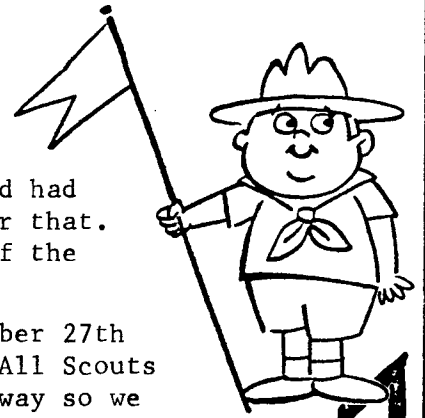

I think one of his legs is longer than the other one! He keeps going around in circles.

Winter camp is now scheduled for December 27th and 28th at Camp Keisel above Huntsville. All Scouts planning to attend need to register right away so we can reserve our room space. The cost will be \$12.00 per boy. This will include three meals prepared by the camp staff as well as transportation.

Our Scout Troop meets weekly at 7:00 pm on Wednesdays at the ward house. All Scouts should plan to be on time and in uniform.

## Cub Scouts

The Cub Scouts had a fun Pack Meeting in October. They all worked hard to help their leaders plan and set up a neat "Spook Alley" to entertain their families. It was held at the home of the Cubmaster, Richard Barker on Tuesday evening, October 25th. The Spook Alley led through the garage and into the back yard where everyone gathered around a warm fire and took part in judging the scarey costumes worn by the Cubs. Afterwards, awards were given to the boys who had earned them. In the Cub Den, Brian Rowe received his gold arrow point, Daren Beattie received a gold and two silver arrows, Steve Allen earned a silver arrow, and Matthew Wilson got two silver arrows. Two Webelos also received achievement pins: John Meldrum earned his athlete and engineer, and Rand Barker received his citizen as well as the Webelo badge.

The evening was concluded with some yummy refreshments--punch and brownies made by "the witch," as well as candy treats.

Although our Cub Scout Pack is small in numbers, the boys are very fortunate to have some truly dedicated and hard-working leaders who help to make Cub Scouting an enjoyable and worthwhile experience.

# Getting Acquainted.....

## The Two Of Us

Dave and Terry Glad (7678 Steffenson Drive) are real assets to our ward! C. David Glad is our Scoutmaster and Terry Haueter Glad is our first counselor in the Primary.

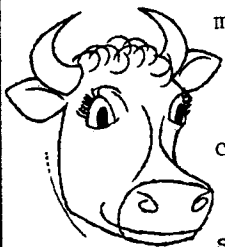

Dave was born in South Salt Lake. His family moved to Crescent, Utah when he was 13 and there he developed a love for farming, especially raising cattle. Dave still raises beef cattle each year on a family member's farm in Bluffdale. As a boy he was very active in Scouting, serving as Jr. Assistant Scoutmaster and Assistant Scoutmaster. He graduated from Jordan High School in 1957. Dave later graduated from Weber State College in 1976 with a degree in Police Sciences.

Terry was born and grew up in Heber Valley. After World War II her father worked in the mines at Keetley and they lived in a log cabin several miles out of Heber. Terry remembers that adventure with real fondness. As a young teenager, her dad worked at the State prison in Sugarhouse and they lived at the prison. Terry can tell some real stories about those years. Terry's family moved to Butler in 1955 and she has been a member of the Third Ward ever since. They were one of the first families in Steffensen Heights. Terry graduated from Jordan High in 1958.

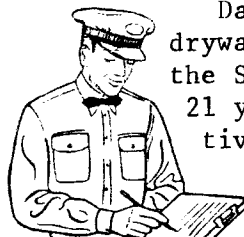

While Dave and Terry were in high school, Dave's girlfriend lined Terry up with Dave's cousin and they double dated for about a year and a half. Then, Dave finally asked Terry out!

Dave served a mission to the Northwestern States in 1959-61. He served in the U.S. Army in 1957 and again in 1961-62. He was a medical specialist. He served two stake missions, one in the Dallas, Texas, Stake while in the Army and one in the Butler Stake.

Dave and Terry were married in the Salt Lake Temple twenty one years ago and have been blessed with a posterity of six children. Claudia, 20, is leaving the nest very soon to start her own family. Heather, 18, is active in school and 4-H club. She has won many contests including a trip in December to the National 4-H Congress in Chicago. Joe, 16, is also active in 4-H and Scouts. He is an Eagle Scout. Andrew

(Drew), 12, is in Scouts working on his Eagle now. Charlotte, 9, is in 4-H learning to cook and sew. David (Davy), 5, is the fireball of the family!

Dave worked in construction as a drywaller for a while, then joined the Salt Lake County Sheriff's office 21 years ago. He is Division Executive of the East Patrol Division.

Terry is well-skilled in home craft talents such as handiwork, home preserving, etc. Dave loves outdoor activities--camping, fishing, etc. Dave and Terry both enjoy gardening together.

We're glad to get to know this fantastic family better and learn to love them even more!

*"We ought to do this again next year."*

## GO BEYOND YOURSELF

MEMBER MISSIONARY DEPT.

"I am a Child of God" and so is everyone else. Sometimes we need that reminder. In Alma 5:15 we are reminded: "Do ye exercise faith in the redemption of Him who created you? Do you look forward with an eye of faith, and view this mortal body raised in immortality, and this corruption raised in incorruption, to stand before God to be judged according to the deeds which have been done in the mortal body?"

Do our daily deeds include treating ourselves and others as the children of God that we are?

Members, inactive members, and non-members alike are children of God.

## HOSPITALIZATIONS

Some of our ward members have had surgery recently, and we want to wish each of them our best for a quick recovery.

Both Marge Brown and Barbra Brasher have had eye surgery, and Zola Wood has had an operation on her knee.

## Nursery

A new little granddaughter for the Spencers! Britany Bartell was born on September 21 to Kathy and Bob Bartell.

Congratulations!

## Weddings

Congratulations to two of our young men who were married this past month. On the 8th of October Lynn Spencer was married to Pam Law in the Jordan River Temple and held a reception that evening in the South

Jordan 15th Ward. Both families of the newlywed couple treated the guests to a lovely program at 9:00 that evening.

On October 12 Dyke Briggs and Carol Ann Barker tied the knot and received guests that evening at the Heritage House.

Best wishes for a happy future!

## COMING UP

Mark your calendar and plan for a very special evening on Sunday, December 4, when the stake will present its annual adult Christmas devotional. Guest speaker will be Stephen Covey.
