BISHOPRIC MESSAGE

The Lord made solemn promises to "all Saints who remember to keep and do these sayings, walking in obedience to the commandments. (D & C 89:18)

The Apostle Peter said, God has given to us "exceeding great and precious promises: that by these ye might be partakers of the divine nature... (2 Peter 1:4)

A story is told of a Girl Scout who made up a "Promise Book" of slips containing chores she would do to be helpful. These promises were sacred pledges. They were guaranteed by her determination that they would be honored in full.

The greatest promises have been made by our Father in Heaven, Himself. God has never given a commandment to which He did not attach the promise of a blessing. The value of the blessing always exceeds the amount of service given.

When we are baptized we promise God that we will be faithful. We make other promises when we obtain the Priesthood and partake of the sacrament.

Based on our actions during this life, God has promised us eternal life. Almost every important thing that we do is under some mutual agreement based on promises.

Several weeks ago during General Conference, we were spiritually fed. May we all put into action the messages presented by our Father in Heavens' special witnesses whose desire is for us all to attain eternal life.

Mark L. Rasmussen

WELCOME HOME

GARY ALLEN

Gary has just five days left in the mission field. When he called on Mother's Day he was still very enthusiastic about missionary work. He felt very torn. There were still things he wanted to accomplish in South Carolina Columbia Mission.

As a family we have been very blessed this past two years. We have felt the Spirit in Gary's letters and tapes. We have felt the growth and development of Gary's testimony of Jesus Christ. We have cheered, cried, and prayed for his success. Having a missionary has been a great family experience.

He wanted us to thank all the people in the Brighton First Ward for their prayers, letters, cards, and gifts. Knowing people back home care makes it that much easier to keep working hard when things are a bit tough. THANK YOU Brighton First Ward.

See Ya All on June 11th..Yaa Hear
WELCOME BACK, GARY!!!

ROY SCHLUZ

We understand that Roy will be home June 21st. He wants to thank everyone in the ward for the love and support that has been extended to his while he has been on his mission.

We will be happy to see you again, Roy.

DAVID CLOWARD

David arrived home on June 1st and everyone is glad to have him home again. There are many things his brothers have been waiting to show him: new hamsters, birds, scooter, cars, but most of all a new sister-in-law!

Dave has more than filled our expectations as a missionary. He has filled an admirable mission and accomplished great things for the England London South Mission.

We are very proud of you, Dave!

WELCOME HOME!!!

RICK BARKER

Rick is in a new and ritzy area. He says, "Here I am ending my mission in luxury". He has the nicest apartment in the mission. He is living with a 38 year old convert who is good looking, wealthy and single.

Rick is working harder than ever and loving it more than ever.

He returns home June 28th.

ELYSE VANFLEET

Sister Elyse Vanfleet
505 Evergreen #9
Mexia, Texas 76667 (New address)

Here is a notation in one of Elyse's letters, quote, "Yesterday at church it was really neat to see passing the sacrament, three of the men whom I've had a chance to share the Gospel with. Now they all have the Priesthood. As I was sitting in Fast and Testimony meeting I swelled up inside with Joy. I realize how special my mission really is, and to be able to see these three converts progress. Nothing can describe this happiness".

In another letter after certain baptisms had occurred, Elyse wrote, "On Sunday Maria and April were baptized. This was the most spiritual baptism ever. Maria got up after and said, 'Thanks Sisters for having the faith that I could do This'. I'm so glad we stopped that one day and gave Tom a Book of Mormon as he was taking his garbage Out".

Elyse has now been transferred to a new assignment several hundred miles away.

WINSTON & LOUISE MCOMBER

England Manchester Mission
92 Hey Street
Springview Witanlane
WN 34 EG
ENGLAND

Just a note about the McOmbers. They are helping the Branch to find another meeting house. They now hold their meetings in a community building where basketball is being played during the Sunday Meetings.

We wish them luck in finding a place where they can hold their Sacrament meetings peace and quiet.

They are expecting to baptize a couple and their two children.

DANNY LARISCH

Elder Danny Larisch
4 Copthatl House
Station Square
Coventry CV12PP
West Midlands,
England

Danny is still in Wales and he has a new companion. Danny writes:

"We have been doing a lot of work and teaching a lot of people, but we don't have many good investigators. They don't want to commit themselves to anything. The older people here are really stuck in their ways and don't want to change anything. They are comfortable where they are. The missionaries named them 'sitting dudes! We really like to talk to the older people, but they don't want to talk about the gospel and then it is a waste of time and we must move on.

Missions are full of wonderful and fun experiences. The other day my comp. and I were driving down one of those Welch country roads. I saw a pheasant standing off to the side. For a laugh I told Elder Wellborn we could catch it. But anybody knows that you can not just catch a pheasant. As I pulled up to it, it ran away, and I told Wellborn to go and get it. The bird figured our intentions and panicked and ran into some bushes. Wellborn dove after it and caught him. We were both laughing so hard we could not breathe. Wellborn was having a hard time with this bird so I jumped out to help him. Soon there were two Mormon Missionaries in suits, wrestling around in the bushes with a pheasant. We all need a stress release.

This area is so out in the sticks. In the last two months we found three families in our area we knew nothing about. One is active and were happy to see us. They live in a big bus. They live up in a forest and the father cuts trees for a company. Last Monday we went there and had a family Bus evening with them.

From Danny's letters we can tell that he is happy and he enjoys his mission with all its challenges, ups and downs and happy times. We love you, Danny.

KEVIN COPELAND

Elder Kevin Copeland
Caixa Postal 189
Rio Negro, Parana, Brasil
CEP 83.880 (New address)

Kevin thought he would be in Toledo two months when his transfer came. He stated: "I quickly got everything ready, and then the hard part came of saying 'Good-bye' to everyone. I guess I never really noticed how many great people I got to know. It was so hard to say good-bye, thinking that maybe I'd never see these people again.

On Sunday morning we had church from 9-12 and my bus left at 12:30. At the end of the meeting the President asked me to bear my testimony. I didn't really know what to say, but I bore testimony of the truthfulness of the Gospel. The Spirit was so strong in the Chapel as I looked out at all the friends that I had made. It was really a personal experience that I'll never forget.

Anyway, after the meeting, all 29 of the members took me down to the bus station and said the last "Good-byes". Everyone was so kind and some gave me presents to remember them by. I'll never forget riding down the streets in the bus that I had walked and walked so many times in the previous 4½ months. I think it was then that I realized I really loved being a missionary--a representative of Jesus Christ.

Take care everyone. Everything is so good. It's like I'm on a high right now!"

This is what missionary life is really like--feeling so thrilled about the gospel and the members that you do feel a "high". We are so thankful to our Heavenly Father that He called Kevin on a mission and is giving him this great opportunity of service and growth.

TREVIN BEATTIE

Elder Trevin Beattie
46 rue de la Montagne
57600 Forbach
FRANCE

Trevin says he had a very happy birthday on April 30. He and his comp. were invited to dinner with a member family (even though they didn't know it was his birthday), and he made a Jello salad to take over. They were asked to give a priesthood blessing to one of the boys, which he said was sweet. He was also excited about his gifts from home, even though he only got a box of cookies and a photograph of the calculator waiting here for him.

Trevin's former companion was a political refugee from Chili who apparently had medical problems and had to go to Brussels to see doctors. Finally, at the end of April he had to be taken out of France for good. Trevin wrote: "until we found out, we spent four full days in Brussels with the office staff; part time being normal missionaries, and the rest of the time waiting in the office to find out what we were going to do. But it was fun. I especially enjoyed helping out with a few things in the office. Also, one evening we visited a family my comp. knew there (who were also Chilian) and they invited us to stay for dinner. An excellent Chilian meal!"

He says his new companion, Elder Linford, is practically a greenie, but he speaks French really well (his mother is French; married a missionary!), & they get along well.

It sounds like they're working well together, too. In his most recent letter, Trevin wrote: "we had an awesome zone conference last week, and then we found a couple more really neat investigators, of which one couple wants to be baptized Monday!"

As a family, we're delighted to hear that their perseverance is paying off, & we trust that the missionaries will be blessed with continued success as they strive to share the light of the gospel with all who are willing to receive it.

KEVIN SEGUIN

Elder Kevin Seguin
AA 50710
Barranquilla --Atlantico
COLOMBIA

Kevin is doing great in Barranquilla. He really likes the area. It is a lot cleaner there and his health has been better.

There are four missionaries living together in a non-members home and they are all from Utah; one from West Valley, two from Bountiful and Kevin. Kevin has another new companion who is from Bountiful.

They had 10 baptisms this last month. Kevin now has over one hundred since he has been on his mission.

There was a family of four that were just baptized. The mothers eyes are so bad she can't read. The daughter had been reading the Book of Mormon to her. She said even though she couldn't read she knew the church was true. She had felt the spirit so strong. The missionaries are going to try and get enough money together to buy her some glasses. Her son is 25 years old and had smoked marijuana for three years, also drank alot. Kevin said it is so great to see him and rest of the family in church and so special to see them take the sacrament and the feeling they seem to have.

Kevin has started a "Mini Mission" in their ward. He has had several meetings with the members explaining it to them. They help the missionaries get referrals. It has worked much better in this area as people just don't want to let you in their door. It gives the members a chance to proclaim the gospel.

Kevin says he is having the most incredible experience as a missionary and he just loves it.

He really enjoys reading the Brighton Banner, especially about the other missionaries.

He says "Hi" to everyone.

MIKE SPENCER

Elder Michael Spencer
Casilla de Correo 17
Sucursal 9
5009 Cordoba, ARGENTINA

Mike has been in LaFalda for a few weeks now & he said it is the biggest challenge he has had. The town had been closed down for seven years & was opened again for missionary work just two months before Mike went there. In four months there were only four baptisms in the whole town. The mission President wrote to Mike when he was transferred there & told him it would be a challenge. Mike certainly agrees with him.

There was a zone conference in Cordoba & Pres. Clark spoke. It was very good.

The peso is going down in value all the time. At Mike's last letter it was 73 to 1, which was twice as low as it was a month before. Mike says the economic situation is terrible. He doesn't know how the people manage to live.

On one of the recent P-days, the four Elders who are in LaFalda were invited to a barbeque. It was held at a "mansion" by a lake where one of the members works. He is paid to take care of this huge house & the owner only comes there about one week a year. There was a guest house, swimming pool, beach, and "everything". Mike was impressed.

We hope and pray that this area will soon become easier for the missionaries to proselyte and that they will have some good experiences in LaFalda.

Getting Acquainted....

STEVE AND BOBBIE OSTLER

7701 Dell Road
Phone 944-9122

STEVE was raised in this ward and we are delighted that he loved it enough to bring his family back with us. He did all the usual things that boys do as he was growing up and he did them very well. He has always loved the out-of-doors, and athletics.

Steve fulfilled a mission to Central America. He supported himself thru college by doing drywall. He graduated from the U of U with two degrees, one in Business and one in Finance. He was a commercial construction superintendent, which was an unstable industry. He now works for Utah Disaster & Kleenup as an estimator.

Steve makes a very good youth leader, and he is a wonderful Primary teacher.

BOBBIE was born in San Diego, then moved to Utah and spent most of her youth in Bountiful. She is the second of five children. She attended BYU.

Bobbie also likes athletics, mostly basketball. She loves to go boating especially at Lake Powell.

Bobbie has a knack for making her yard beautiful. She has planted many flowers since she moved here. She is a very kind person and a thoughtful friend and neighbor.

Steve & Bobbie first met at the Terrace at a dance, but didn't hit it off till six months later when they were at a surprise party for a mutual friend. They were engaged two weeks later, and married in two more months. Bobbie says "It is amazing what a little longer hair and a mustache will do for a guy".

JEREMY was born in May 1980 to a proud Mom and Dad. He is very smart, very good in athletics, and a "great" big brother. When they lived in California he had to learn Spanish in order to go to the bilingual school. He was able to speak it after one month. That made his Dad happy to have someone else in the family speak Spanish. As they moved around alot Jeremy made lots of non-LDS friends and really was a good example to them.

JOSHUA was born in Sept. 1984. His birth was a surprise because his parents were told they would probably not have any more children. Joshua is a very sweet boy, especially if he has had a good nap!

Joshua loves his pre-school and really enjoys playing indoor soccer. He is very good to play with his younger brother and he loves to go to Grandma's.

RYAN was another surprise and he was born in Sept. 1986. His parents were ready to have either a boy or a girl and were really pleased when this third son was born. More athletic events to be involved in.

Ryan is a very lovable boy and he too, enjoys going to Grandma's. (Just a note in case someone does not know that "Grandma" is Rose Ostler, who lives just three doors away).

After moving around alot for a couple of years while Steve was involved in construction, the Ostler family is really glad to finally settle down. Steve has especially enjoyed coming back to the old ward and neighborhood. They couldn't ask for better neighbors!

Primary

The Primary will be having their Activity Day on Thursday, June 8th, at Wheeler Farm. The children will meet at the farm at 11:45 A.M. and conclude at 1:30 P.M. Parents will be responsible for the children's transportation. We suggest that car pools be considered for each neighborhood, with one parent taking the children, and another parent picking them up. The activity will include a horse drawn wagon ride, a farm walk, and a shop demonstration by a blacksmith. The Primary will furnish a treat at the end of the activity. If there are children who need rides, please call one of the Primary presidency.

The Merrie Miss girls had a "Mom and Her Miss" party on Griday, May 19th. It was held at the home of Sister Edyie Allen. Each girl brought a favorite food item. The girls and their mothers stenciled tote bags. Everyone had a great time.

The Primary children really enjoyed singing for their mothers on Mother's Day. Everyone enjoyed hearing them sing, and the special talks given by Nicholas McCombs and Karidee Thomas. We will all be looking forward to Father's Day on June 18th.

The class presentations for June will be given by the CTR-A Class, and by Sister Kathleen Vargo.

New teachers include Mark Berhold, (Valiant-A); Mark Cram (Blazer A and B); Elfrieda Schulz (Nursery. Sister Schulz has been teaching the Valiant A Class); and Bill Jackman.

Teachers released are Edyie Allen, Mindy Larsen, Jim Phillips, and Dennis Woolston. We appreciate the support and help they have given to the Primary.

We would like to wish a Happy Birthday to Jacob Hamilton, Beau Ogzewalla, Darin Hansen, Dennis Woolston, Judy Rowe, Andy Noble, Jason Terkelson, Taylor Kennedy, Pam Call, Talmadge Call, Zachary Call, and David Francis.

Cub Scouts

The Cubs have really been busy the last few weeks.

On April 25th we had a Genius Night. It was alot of fun and the kids and their families built some of the craziest things you have ever seen.

The Bears took a trip to KRSP Radio Station where Brother Hague gave them a tour. They also had a trip to the water treatment plant where they found out what happens to the water before they drink it.

On the 23rd of May we had a Rain-gutter Regatta and in spite of wind and cold everyone had a good time.

Darren Rowe won 1st place, Michael Vanderhooft won 2nd and Paul and David Hawkes won 3rd and 4th places.

The Wolf Dens combined for a trip to the airport and I Understand it was fantastic. They got to go on board a small plane and a larger one as well.

I want to thank the den leaders for giving such good opportunities to our boys.

GRADUATION

Editor's Page

This is the season of the year that our thoughts turn to the subject of graduation. Graduating from high school and college are indeed worthy of celebration.

After spending 12 years in school learning academics, forming friendships, becoming socially aware of others and blooming physically, high school seniors are sure that upon graduation they will become men and women.

College graduates are ready to meet the world and become productive members of society. They want to leave their mark on the world both in the job field and in their personal life.

Did you ever stop to consider that life is a series of graduations? We graduate from infancy into childhood; from childhood to adulthood; to parenting, where the cycle starts over. After parenting we become grand-parents, and then on to the "empty nest" syndrome. Some will go on to live alone for the rest of their lives.

We cannot change the process of aging or the fact that we "graduate" from one stage of life to another. Sometimes one stage of life is more enjoyable to us than another one is, but nevertheless, life goes on while changes in our lifestyle are made.

The thing that I would like to suggest to each one, is that no matter what stage in life you are in, ENJOY it. Do not make the mistake of wishing your life away by believing that if things were different you would be happy.

Take time to enjoy life now. There is no tomorrow, and chances are if you are not happy now you won't be happy in the next stage of your life either. SMILE AND BE HAPPY TODAY!

A FATHER'S DAY MESSAGE

I FOLLOW A NOBLE FATHER

I follow a noble father, his honor is
Mine to wear;
He gave me a name that was free from
Shame, A name he was proud to bear.
He lived in the morning sunlight and
Marched in the ranks of right.
He was always true to the best he knew,
And the shield that he wore was bright.

I follow a noble father and never a
Day goes by
But I feel that he looks down on me
To carry his standard high.
He stood to the sternest trials,
As a brave man can;
Though the way be long, I must never
Wrong the name of so good a man.

I follow a noble father, not known to
The printed page,
Nor written down in the world's renown
As a prince of his little Age.
But never a stain attached to him,
And never he stooped to shame;
He was bold and brave and to me he gave
The pride of an honest name.

I follow a noble father, and him I
Must keep in mind;
Though his form is gone, I must carry
On the name that he left behind.
It was mine on the day he gave it;
It shone as a monarch's crown; and
As fair to see as it came to me,
It must be, when I put it down.

WE LOVE YOU!!!
