PROPER APPRECIATION

One day as Jesus Christ roamed into a certain village, ten lepers approached him, begging to be cleansed. Christ told them to pass in front of the priest, and when they did, they were healed. Nine rushed away, jubilant and self-centered, but one returned to the Lord to give thanks. And Jesus said, "Were there not ten cleansed? But where are the nine? But although Christ noticed the lepers' lack of appreciation, He did not remove the gift.

How many others were healed who hurried off, forgetting the healer? How many beneficiaries of His kindness watched mutely while He was tried and crucified? "As I have loved you," He said, "love one another."

His unceasing service, regardless of proper appreciation, teaches us something about the kind of love He means.

Whenever we begin to lessen our acts of kindness and service to others because we do not feel we have been properly appreciated, perhaps it is time to question our motives. Do we do our good acts to be noticed of men? Pats and praises for our gifts are nice, but when we begin to give our gifts merely to receive them, we have lost something nicer.

We may not, in fact, always be appreciated or thanked for the good things we do. That is a reality in every life. But let us not cease to love and serve. Those who can look into a universe that seems almost devoid of the Lord and still pray are those who have faith in Him. Those who can serve even one who turns away without a backward glance, have really learned to love.

Were there not ten cleansed? But where are the nine?

May we pattern our lives after Jesus Christ as we serve one another, is my prayer in the name of Jesus Christ, amen.

ELDER & SISTER DEAN

5746 Osura Rd. NE #208
Albugquerque, N.M. 87109

An inactive man that Claude had contacted, who has been helping to get the fleet cars ready to sell, has come to church two Sundays now and introduced Claude to someone as "Dad."

We spoke at the Singles Group Home Evening about the Family to Family Book of Mormon program and we just purchased a case of Books of Mormon to put our testimony/pictures in. We are speaking at a baptism the last Saturday of February.

All zone leaders were called in from all over the mission to hear Brother Sherman Crump recently introduce a new pilot program to our mission.

A Philippine Mission transfer sister (from Idaho) is staying with us in our apartment for a few days. And awhile ago, we stayed in the Mission Home for a week with an ill sister missionary while the President was away.

We finally took half a P-day off last week. We had a big snow storm a week ago but it will get up to 62 degrees by Sunday Feb. 25th!

The Gospel is True!

ROGER BUTTERS

Caixa Postal 2310, Pigarra
Teresina - Piaui Brasil
CEP 64000

The Gospel is still true in Brazil & Roger is endeavoring to teach the complete population of Fortaleza. It amazes Roger that he has such a stake in a community that, eight months ago, he had never heard of. The people are receptive to the message brought by the missionaries. They seem to be looking for something more than they presently have. Roger can see what the Gospel could do in their lives and is involved with trying to have some impact for good.

In his last letter he requested: more letters from home, some addresses for other missionaries, and an air-conditioner. We can provide the first two easily, the third will take some waiting. The work is moving along. He is expecting to be transferred to a new area shortly. We wish him success in his new area.

DAN CLOWARD

West Indies Mission
Carleigh House--Suite #3
Golf Club Road
Christ Church, Barbados

Dan is experiencing all kinds of new things. In this new area they are being inundated with anti-Mormon literature. There have been seven large pieces in the newspaper and tracts & videos. They lost a whole family who was committed to baptism because of this but there are those who are still being converted and Dan has asked us to pray for them.

Good things are happening too. The curfew has been lifted and the missionaries are allowed to stay out until 9:30 instead of coming in at 7:00. This makes for many more hours to do the work and Dan is making use of it because he & his companion won the contest for the hardest work.

On one preparation day they explored the nearby jungle or "bush". They came across two huge swarms of bees, snakes, big swarms of mosquitoes and huge spiders with big webs. Just what boys like! Dan couldn't be happier and loves his mission.

KEVIN HILYARD is excited about his mission call to Rome, Italy. He will enter the MTC on May 2nd.

DARIN TEA WILL LEAVE THE MTC March 6th for the Louisville, Kentucky Mission. His plane will leave at 8:58 a.m.----Delta Air Lines, Flight #362.

JEREMY BEATTIE, who has received his call to the New Zealand Auckland Mission, will have his farewell on March 25th. He will enter the MTC March 28th.

WINSTON & LOUISE MCOMBER

18 Copenhagen Street
Rochdale, Lancs
0116 2JW England

On Thanksgiving Day I cooked dinner for 24 missionaries in our zone. After being in Orrell Wigan for 13 months we were moved to Rochdale on Dec. 4th. It was hard to leave the people who had become so dear to us. Our house here is much warmer (central heat) and more spacious. The ward is a big one. The Stake is strong. Pres. Cook and all the stake have dedicated themselves to the missionary effort. Each ward had a special fast and prayer. New stake missionaries have been called to work with the missionaries in finding new members and fellowshiping.

Part of our job is to find people who are inactive (there are 100's) and bring them back or find out if they want to be removed from the rolls. Give our love to everyone.

MARC BRIGGS

Marc was recently called to be an Assistant to the President and has had the opportunity to travel throughout the mission with the President in preparing and presenting zone conferences. He has enjoyed this a great deal and has learned many leadership skills with this new position.

Marc will serve in New Guinea for the last four months of his mission. He is in the process of acquiring the visa necessary to travel and teach there.

We are looking forward to his return around the middle of Sept.

KEVIN COPELAND

Caixa Postal 9191
Curitiba, Parana, Brasil
CEP 80-311

Now that Kevin is in the mission home, he gets a car. He says it was really frightening driving a car after 17 months of only walking. But he is enjoying the new work of being in charge of all the finances, including all the contracts and leases of the church in the Curitiba Mission. It is a giant responsibility, but he is learning so much. He misses teaching the people more, but knows this is where the Lord wants him at this time. He is enjoying meeting all the missionaries in the whole mission as they come back & forth to Curitiba to renew their visas and get new assignments. He is also loving the experience of working with Pres. Covington. What a fantastic leader he is!

Kevin is also so excited that a family he & Elder Hunter baptized in Marinzá are expecting a new baby. They have chosen to name it "Kevin Hunter" & their last name. He said if it isn't a boy he won't be disappointed because it will still make me happy that they thought about us so.

CHUCK STUBBS

CC 35
1828 Banfield
Buenos Aires, Argentina

Argentina is still in its summer season. Can you imagine tracting on dirt roads in 90° weather with 98% humidity & then being caught in a rainstorm that continues for two days. That's one of Elder Stubbs recent experiences.

Baptisms do not come easily in Buenos Aires South, but they do come occasionally & with great rejoicing by Elder Stubbs & his comp. Chuck's most recent success is the baptism of a mother & five children. Their grandpa forced the missionaries to meet with the family outside the home. He was very anti-U.S. because of the Falkland Islands affair.

The missionaries of the Buenos Aires South mission have permission to do some sight seeing on their "P" day. They can only go a reasonable distance and just four or five times during their mission. Chuck & comp took advantage of this and visited shops, took pictures & returned home with very tired feet.

YOUNG WOMEN

Dear Sisters,

March should be a special month for us. On March 6 we will be celebrating the 148th anniversary of R.S. What a blessing R.S. has been to the sisters of the church! This special evening will consist of a special musical program under the direction of Nonie Sorenson, with original script and music. A pie social will follow immediately after the program--ummm, I can hardly wait. All R.S. sisters & partners are invited. Also, a special invitation to the Young Women in our ward. This is an event you won't want to miss.

On March 27 we will be holding our Homemaking night. We have arranged to have Rhodes Bakery give a demonstration on baking. We should all go home motivated to bake something special for our families---especially at this Easter season. SEE YOU THERE!

**"REMEMBER THE SABBATH DAY"
AND KEEP IT HOLY".**

Exodus 20:8

PRIMARY

The Merrie Miss Memorandum & Blazer Briefing was held Feb. 13 at the chapel. Eighteen boys & girls attended.

We would like to welcome Sister Debbie Rycroft as our new in-service leader.

STEVEN BRIGGS was advanced from Primary and ordained a Deacon in the Aaronic Priesthood.

KIMBERLY RYCROFT & MATTHEW PAXMAN were baptized members of the church.

STEPHANIE HILYARD has turned eight years old and looking forward to be-baptized and confirmed a member of the church.

February was a very busy month for the Young Women. The Beehives learned cake decoration. The Mia Maids & Laurels attended the Homemaking Meeting. All of the Mutual were invited to a Valentine's dance. It was a very enjoyable evening (some people even found new romances).

Standard's night was very inspiring, with Amy Poulton as the guest speaker. The theme was "Carousel of Values".

The children who were involved with the Big sister-Big brother activity gave the mutual a very thrilling thank you party.

There will be no activity the last week of February because of try-outs for the road show.

Basketball ended this month & although we came no where being the champions, everyone had a lot of fun. Thanks to Linda Hilyard for being such an enthusiastic coach.

"FOUL"

We extend our sympathy to Melvin and Marge Brown. Melvin's brother passed away suddenly of a heart attack Feb. 16 in Arizona.

We also express our sympathy to Marlene and Doug Wretberg on the passing of Marlene's brother.

Charlott Crawford's mother, Lois Harrington passed away January 10. We extend our sympathy to her.

BRIAN CLOWARD had surgery on his foot to correct a muscle contraction. He wanted it now so he could be ready for a mission after he graduates from high school.

CONGRATULATIONS!

SPORTS

The basket-ball season is over and our teams have represented us very well. The Veterans are going to region as the 3rd place team and we are all cheering them on.

The Priests and Teachers played well and had a good time. They didn't win all of their games but they were always there for every game and they did their best. We are very proud of them!

We will be starting softball probably the last part of April. We are just waiting for Spring and warm weather to arrive. So get ready to play.

Dick Scharman

Scouts

Preparing for and attending the Klondike Derby has been the focus of our scouting activities this winter. Klondike is a district camp held at Rockport Reservoir each year in January. We built our Klondike sled on top of a set of Clowards old skies. The scouts did very well in the competition, especially the five man snowshoe and the three minute one match fire. Despite the cold toes and ears, and the frozen eggs, a good time was had by all.

Bon Voyage!

CRAIG & LINDA PACE and their family have moved from our ward. They are in a home on Oakcliff Drive which is near Smiths grocery store. We will miss them.

BILL & KARI JACKMAN will be moving from our ward this month. We bid them goodbye and wish them well.

BRUCE & JERRIE JONES and their family are planning their move to Texas the last part of March. We will miss them but wish them the best.

Getting Acquainted

Are you aware that during the past few months we have had three new families move into our ward and the fathers are all named Randy? And to make matters even more confusing one is married to DeeDee and another is married to JiJi.

RANDY & PEGGY WALTMAN and their eight children live at 2872 Danish Oaks Ct. Phone 943-1144.

Randy & Peggy met at East High School where they both attended. After they were married they lived in Park City. Randy is self employed and Peggy is manager of an overnight sitters company. They each teach a CTR class in Primary.

Peggy loves to cook. Randy and the older children love to snow ski.

The Waltman children are:

Brad	15 years old
Sara	13 years old
Ashley	12 years old
Tyler	10 years old
Saidi	6 years old
Scott	6 years old
Winston	4 years old
Whitney	2 years old

We welcome all of them into our ward and hope to become better acquainted with them.

Randy & JiJi Perkins live at 7991 Oak Creek Drive, phone 942-7419. They have two small children, William, who is almost four years old and who loves to swim, go to pre-school and watch videos. Melinda is two years old.

Randy was born in Wyoming, moved to Denver, then came to Salt Lake about 20 years ago. He went to East High School. He has a Bachelor degree in geography and works as an insurance loss comptroller

JiJi(given name is Jolene) has lived in Salt Lake her whole life. She went to Skyline High School. She has a Bachelor and Master degree from the University of Utah in Speech-language Pathologist. She works for Jordan School District.

Randy & JiJi met each other when they both worked for Kentucky Fried Chicken.

We hope their family will enjoy being in our ward and being our neighbors.

RANDY & DEE DEE SUTTON (her real name is Melva) and their two children live at 2760 Pamela Drive. (phone 944-9628) Their children are 3 year old Brian and 13 month Valerie.

Randy was raised in Northern California. DeeDee was born in North Carolina. Both attended BYU and met there. Theirs was a quickie marriage. They were engaged two weeks after they started dating and were married in the Oakland Temple seven weeks later.

DeeDee sent to the "Y" for one year then worked in the foods service there for 11 years. She just quit last December and loves being home with the children. She loves cooking and cake decorating.

Randy loves backpacking and motorcycles. They both love camping and family cook-outs.

We are glad to have them in our ward and hope they will enjoy living here.

Randy received a masters degree in Recreational Management Administration and now works in the parks & Recreation Dept. in Salt Lake City.
