**Christ is The Light of The World**

In D & C 12:9 we read, "Behold I am the light and life of the world." and again in D. & C. 6:21 "Behold, I am Jesus Christ the Son of God. I am the same that came unto my own, and mine own received me not. I am the light that shineth in darkness, and the darkness comprehendeth it not."

Look toward the light. That is the way we should learn to live. If we look toward the light, the light will enter into us and fill us with its own radiance.

As Easter time approaches we need to remember the Light of Christ. Take into your heart every day some cheering word of God. Listen to some heavenly song of hope and joy. Let your eye dwell on some beautiful vision of divine love. Then your very soul will become a fountain of light which is Jesus Christ.

Easter is a time of renewing, rebirth and light. May the Light of Christ in your life grow brighter and brighter each and every day.

## DARIN TEA

242 B Street  
Wilmington, Ohio 45177

Darin's first field of labor is in Ohio. His companion's name is Elder Jewell-- (Darin says he is a Gem). He is going in on a high for they have a baptism coming up this month. The husband is joining the Church but the wife has had some bad experiences with some members and that has turned her away from the Church. But they are certainly going to try to teach her about the Gospel. Darin says, "It is really evident the effect we have on others as examples". He also said to send his love and thanks to everyone.

## ELDER & SISTER DEAN

New Mexico Albuquerque Mission  
6100 Seagull Lane NE #109  
Albuquerque, NM 87109

We are working hard to get everything ready in the office for the split of our Mission. The new area will include the whole Navajo Nation-Northern New Mexico, part of Colorado, Arizona and Utah.

We are most anxious to find out all about the split in the Wards and Stakes back home.

Bernice had a little scare -- a health problem, but things are going o.k. now.

Our home computer has been out-of-order for awhile but now we can write more.

We spoke at a young boy's baptism recently and the Elders served Oreo cookies and milk afterwards--most appropriate.

We just had a great Couples Conference and half of them will be departing the mission in the next three months. The wonderful testimonies of their experiences were indeed faith promoting.

Many more couples are needed in all missions!

The people of New Mexico are great people and the Del Norte Ward has made us feel right at home.

Keep reading/studying the Book of Mormon!

Elder Claude & Sister Bernice Dean

## DANNY LARISCH

4 Copthall House  
Station Square  
Coventry CV12PP  
West Midlands, England

Danny is enjoying his mission very much and has mixed emotions about coming home. He had the chance of visiting the London Temple. We were happy for the wonderful experiences Danny has had. He writes, "We are teaching an African family now. We were tracting one day and this wonderful big black lady opens the door. I got excited because I love to teach black people. I taught a lot of them in Walsall. So we told her that we were Mormons. She became very excited, and told us that the night before her husband asked her if she knew where to get a Book of Mormon, but she did not know. They were very happy to see us. We have seen them a few times now and next Sunday they are coming to church.

## ROGER BUTTERS

CAIXA POSTAL 2310, PIGARRA  
TERESINA - PIAUI CEP 64000  
BRASIL

Roger has been transferred to Teresina, Brazil and is now a senior companion. He looked forward to the change of location and assignment. Teresina is closer to the equator and much hotter than Fortaleza. He describes Teresina as being in a huge valley that is low and hot. The language is getting better each day. He is able to teach the discussions with more assurance and conviction.

Carnival time is over in Brazil and the people are easier to contact and teach. Evidently Carnival is a time for celebration and merry making. Roger says that once a year Brazilians throw all cares to the wind and have a time similar to that of Mardi Gras. He is enjoying his mission. The time seems to be passing too quickly.

## DAN CLOWARD

West Indies Mission  
Carleigh House--Suite #3  
Golf Club Road  
Christ Church, Barbados

## Sister Heidi Chartrand

Josef Poschstr 128  
A-8052 Graz  
Austria (EUROPE)

One of the highlights of Dan's mission, so far, was the dedication of Trinidad, the island where he is serving, for the preaching of the Gospel. On Feb. 22, Elders M. Russell Ballard & Charles Didier held the services where all 36 missionaries & local members and leaders were in attendance-- 108 in all. Afterward, the G.A.s held a meeting with this small group of missionaries. It was an "awesome" experience for Dan.

The Church News carried an article about the dedication & Elder Ballard reported "Just before the dedicatory prayer, some threatening clouds were ready to burst with rain, but the intervention of the Lord permitted us to continue without any problems. Five minutes later the rain began and was quite heavy."

Dan is doing extra studying and researching some answers to questions for an investigator.

It's obvious that the Lord is blessing him and it's great to see him grow & be so happy.

Heidi is still in Graz and loves it. The Mission President told her she would be there at least through April, so she's happy about that. Heidi and her companion are checking out refugee camps under the direction of the Mission President to see if they can teach the Gospel. They have been accepted in some and have begun to teach some people, mainly from Romania and Hungary. Teaching is good and there seems to be lots of investigators, but few converts. They're hoping some of the refugees will be willing to make the commitment where they don't have the local cultural, religious and social pressures.

We laughed as we read of one of her latest adventures, which I now quote from her letter. "I turned to Sister Cook and said, 'OK, here I am on the fifth floor of some cheap hotel in Austria, sitting at a table with two knives (and not your ordinary steak or butter knives) and a bottle of vodka--a plastic bag with a pigs head in the bathroom under the sink (the smell of the spoiling flesh permeating their room) and I'm waiting for a Hungarian who fought for five years in the Foreign Legion in Veneuela!' Missions are amazing!"

## TAYLOR

JAMES CALVIN & DONNA TAYLOR have been called to serve in Lansing, Michigan, where Brother Taylor will be the Mission President.

## JEREMY BEATTIE

Elder Jeremy Beattie's farewell was March 25. He entered the M.T.C. Wednesday, March 28.

## KEVIN HILYARD

Elder Kevin Hilyard's farewell will be April 29. The family invites everyone to attend an open house in his honor after the block of meetings.

"THOU SHALT NOT MAKE UNTO THEE ANY GRAVEN IMAGE, OR ANY LIKENESS OF ANYTHING THAT IS IN HEAVEN ABOVE, OR THAT IS IN THE EARTH BENEATH, OR THAT IS IN THE WATER UNDER THE EARTH".  
Exodus 20:4-6

# CHUCK STUBBS

CC 35  
1828 Banfield  
Buenos Aires, Argentina

The latest news concerning Elder Stubbs & his missionary labors ties to three things; rain, baptisms and transfers. He claims it rains gallons & gallons & he usually forgets his umbrella. On one occasion his knee high rubber boots were filled with water when he got back to his apartment.

His latest success was a 45 year old man whose wife joined the Church three years ago. The family plans to go to the temple in a year.

Chuck's time in Varela came to a sad & glorious end along with modern plumbing. He now labors in Lanus, the most crime ridden area of Buenos Aires. He says tracting in Lanus is like walking thru the Bronx at 10 o'clock at night with a white shirt on & scriptures in your hands. The area is heavily populated & has an excellent ward.

# KEVIN COPELAND

Caixa Postal 9191  
Curitiba, PR, Brasil  
CEP 80.311

Kevin has been keeping busy between working in the office & tracting in the afternoon & evening. When the president goes visiting, he & his comp are totally in charge of the mission home, which is a tremendous responsibility.

One family they had taught had studied hard to be baptized. When their little boy was answering the questions for his baptismal interview, the zone leader saw how scared he was. To break the ice, he asked him who would win the World Cup in the soccer championships. (It would be like asking a kid in the U.S. who would win the Super Bowl. The little kid said, "Jesus!" The others about died laughing.

Kevin & comp took a little boy who had been hit over the head with a bottle to the emergency room. A 15 year old boy tried to steal his cart and the garbage that was in it (to sell and get money) The little boy way left bleeding. Afterward they bought him lunch. He probably had a good day with a free lunch and so much attention.

## YOUNG WOMEN

March was a month of rehearsing for the Young Women. We have been preparing for the road show which is under the direction of Sister Skidmore. Sister Terry Johnson is the assistant director. The play is very amusing and carries a good point. All of the usual activity time has been spent preparing for the road show. It wouldn't be possible without the support of so many.

All of the Mutual was very heartbroken to see Jeri & Lindsey Jones move. They will surely be missed.

TERRY GLAD received her 20 year

Softball will be starting the first part of May, so we are anticipating more good fun and games.

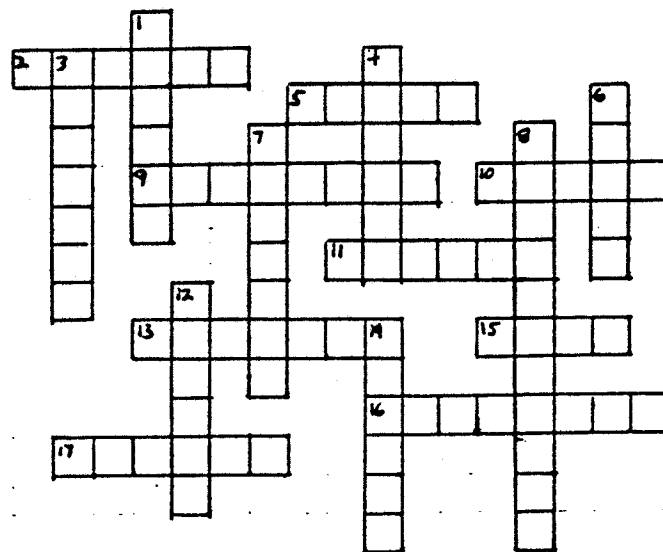

Activity Committee Chairman, Dick & Ruth Paxman, want to thank all who participated in the road show for the wonderful job they did. The road-show was a great success and everyone enjoyed watching it. Thanks to all who were in it, and to all who helped in any way. A special THANKS to Joyce Skidmore, who wrote and directed the show.
