COME UNTO ME

"In my own good time"

One day as the Prodigal Son was feeding the hogs and eating with them, "he came to him self", my fathers servants live better than I do. They have a better place to sleep and eat better food than I do now...I will go home to my father and be a servant. He arose and went to his father's house. When his father saw him coming from afar, he told his other son to kill the fatted calf and prepare a feast. My son who was lost is found. He who was dead is alive... and they rejoiced in the return of the lost son.

"In my own good time"

A few years ago when the Northwest building of the Visitors Center on Temple Square was complete, I made a visit and was impressed with the Christus (the Marble representation of the Savior). I first noticed the way the sculpture had depicted him, with the prints of the nails in his hands, wrists and feet. The robe was open to reveal the wounds in his side. I next noticed the position of his arm reaching out to all men everywhere to come unto Him. It has a deeper significance. Just as marble is a stone which will remain in the position sculptured, so does the Saviors love, welcoming all who repent "In their own good time" and freely choose to come unto him.

A very important part of the Plan of Salvation is that each of us is able to "In our own good time" choose to repent and live more closely to his laws and principles. The only catch is if our time on earth is ended and "our own good time" has not yet come, we may find that the option is no longer open to us in this life.

"For behold, this life is the time for men to prepare to meet God; yea, behold the day of this life is the day for men to perform their labors." Alma 34:32

In my own good time

When you decide to "Come unto Jesus" you will be welcome any time of the night or day, even from the depth of depression or at the loneliest moment in your life. Angels will rejoice in that day and hour, and will prepare a feast to rejoice with you.

I pray that "OUR OWN GOOD TIME" will be soon, and we will assist others to find "THEIR OWN GOOD TIME".

Erick Spotten, Second Counselor

ELDER GARRETT FREIR

1055 Kingsmill Road #332
Greenwood, Indiana 46142

"The restored gospel of Jesus Christ is the greatest blessing and the most precious gift! As Saints, it is our responsibility to share it."

Garrett and his companion are constantly busy finding "gators". They are doing great, achieving goals and progressing well.

ELDER BROOKE WALKER

11 Williams St #5
Worcester, Mass 01609

Brooke sends a very positive report from the Boston spanish speaking mission. He said the work is going forward, they are teaching and meeting with many who are looking for the truth. He said it is hard, but knows with the Holy Spirit all things are possible. He is enjoying his mission so very much. He said It's such a great blessing in his life to be able to serve the Lord and his people. Brooke sends his love and thanks to everyone.

ELDER BRIAN CLOWARD

P.O. Box 33-840
Takapuna
Auckland 9
New Zealand

Brian is now companions with one of the mission APs and spends some of his time working in the mission office. His job is to check on all the toll calls and make sure that they are paid by the person who made them. They have a little less time for proselyting but Brian is learning alot more things about how the mission is run and loving his new experiences.

ELDER DARIN TEA

1040 Crosskeys #73
Lexington, Kentucky 40504

Darin is so happy in the mission field. There is nowhere else he would rather be at this time. He loves his Heavenly Father & Savior Jesus Christ. Darin thought Conference was great. Things are going pretty well for them in Kentucky. They have several baptisms scheduled for Nov. and that is always an "up" event. Time is passing very fast for Darin. He has a new comp, Elder Edwards from Laramie Wyo. They are having yo yo weather--one day sweater weather & one day short sleeves weather.

He says the worst thing that can happen to a missionary is having an empty mail box and he sent a picture shot through an empty mail box with his forlorn face at the other end. That really put his point across.

ELDER BRETT SCHARMAN

MTC Box 111
2005 North 9th East
Provo, Ut 84604-1793

Brett has been at the M.T.C. for about six weeks now and his letters are filled with enthusiasm and love for the work. He says: "This new job is great!! Every Wednesday when the new missionaries come in I'm in charge of holding an orientation meeting and show them around the M.T.C.". He teaches their lesson on Sunday & picks up their mail--so it really keeps him busy----but he loves it!! He is learning and trying to teach the discussions in French (he says: AHGH") It is hard but he is getting better. He just got his travel plans so he's getting excited about going to France. and we are getting excited too. He sends his love to Brighton 1st.

ELDER ANDREW GLAD

16333 Hafer Rd.
Houston, TX 77090
Houston,

Drew has been out for a year now & he sent a picture of him & his comp. burning a white shirt in honor of his one year mark. He says he loves the work and that they are working hard.

Drew's bike fell apart so we had to help him get a new one. He has also had two bikes stolen. Texas seems to be hard on bikes.

Drew & Comp are living in one of the roughest areas in Houston. At the Mission Pres. request, they will be moving to a new location Nov. 1st.

They have some good people that they are teaching & preparing for baptism.

We had the opportunity to talk with Drew and notify him of his Grandmothers passing. He would like to have been here but knew that he was doing what she would want him to do by being a faithful missionary.

Thanks!

May I take this opportunity to thank the many friends and neighbors who expressed their love and support for myself and my family in the recent loss of our sweetheart, mother and companion, Deaun.

Your words, the many cards, flowers and gifts that were received during this time were greatly appreciated and helped ease the pain of this loss.

Our sincere thanks to each and every one of you.

Sincerely,
Ray Haueter & Family

DEAUN HAUETER

Born: August 20, 1921
Died: October 24, 1991

Deaun's most precious treasure was her family---her husband, Ray and their seven lovely daughters. Their family was "close" and they did many things together. One of the things they liked most was to sing together--Mom & Dad and the girls. Deaun was most proud when her family appeared on programs (they were on dozens) with the girls singing and Ray playing his guitar.

Deaun's top priority was to be a good wife and mother, and she excelled in both. She was always ready to give her support whenever it was needed.

She was also a very caring and sharing person to her friends and neighbors and to strangers, as well.

Deaun loved to read and was a well-read person. One of her favorite church callings was as Literature Teacher in Relief Society. She did an excellent job in that. She also used to enjoy giving book reviews.

Deaun liked a good joke and had a good sense of humor. She was smiling at jokes right up to the last. She was a great lady.

Ray & Deaun and children were among the first families to move to Steffensen Heights.

Loving wife and mother
Loving friend
We will miss Deaun.

PRIMARY

All of the Primary children & leaders miss Brother Brian Bozich and we wish to express our love to his family. Brian is a special, sweet child of our Heavenly Father. We all love him and miss him in our Valiant A class.

Our Primary children presented their Sacrament Meeting Program, "I Can Gain a Testimony of the Gospel of Jesus Christ" on Oct. 27. Congratulations to each child who gave a speaking part or sang on the program. You did a wonderful job and we all felt the spirit of the message you presented. Let's all do our best to gain and strengthen our testimonies!

Several Primary children have become members of the Church of Jesus Christ of Latter-day Saints this month. Congratulations to Annie Dean, Kjersti McCombs and Melissa Beggs who have been recently baptized.

Welcome to Brother & Sister Taggart, who have recently been sustained as Sunbeam teacher.

REMINDERS: Memorize Articles of Faith 7 & 8 this month!
Primary Christmas party will be December 7th.

RELIEF SOCIETY

Thanks to all those who attended our Fall Social. We appreciated the May family and all of the Relief Society Board for a successful evening

Remember our Homemaking Night is this Wed. Nov. 6 at 6:45 pm
Our classes will be:

(1) "Christmas Cookie Exchange" taught by Dee Scharman (there is a charge of \$1 for a recipe book) and each person bringing cookies will get to exchange with others in the class.

(2) "Santa's Helping Hands"
We will be working on a quilt and other gifts for a needy family.

(3) "Christmas Gingerbread House"

YOUNG WOMEN

All of the Young Women & leaders have been especially prayerful and concerned about three of the girls, Karen, Erika, and Kristen Bozich and their mother, Irene, who is our Beehive advisor. We are happy that they are all doing so well and we look forward to when we can all be back together again.

The YW and YM had a fun, combined activity this month when we had a road rally which took us through a lot of crazy clues and places to go. We finished by making our own sundaes and watching an old 50's movie. Thanks to all who helped along the way!

Another night the Beehives made Halloween cookies and the laurels & Priests had a night of walleyball at the Spa. Some of the girls went to Bountiful for the "Best of Especially For Youth" presentation and others attended the music conducting class. At the end of the month we combined with three other wards to have a Halloween dance. It was a lot of fun.

YOUNG MEN

During the week of Nov. 9-16 the Boy Scouts will be gathering food donations for the annual "Scouting for Food". There will be a bag left at each door on Nov. 9th and a scout will come by on Nov. 16th to pick up the donations.

Over 20 million Americans will go hungry this month. In Utah, the need for assistance had drained the food banks. Our goal of collecting over 300 ton will assist in restocking the barren shelves of the food banks warehouse.

On Tuesday, Nov 29th, the YM and YW haunted the cultural hall during a four ward Halloween Dance. Every person in attendance brought a can of food for the food bank as an entrance fee.

Getting Acquainted

HELEN PERRY

2575 Carole Drive

Phone 943-9316

Helen was born in Burley, Idaho, but grew up in Bingham. She held many jobs during her life both in Bingham and then in Salt Lake County. She worked for Mountain Bell and retired after 35 years of service.

Helen met her future husband, Paul, at a dance. They dated and wanted to marry, but Paul was in the service and thought it best to wait until the war was over. They were married June 15, 1948. They lived in Bingham, and then in Murray before moving to Steffensen Heights.

Helen & Paul loved to dance to the "Big Band" music, and especially loved to go to the "Rainbow Randevu". That music brings back fond memories for Helen.

Paul & Helen have two children, Craig and Debbie, and they now have seven grandchildren. They were sealed in the temple on their wedding anniversary in 1972.

Paul suffered a heart attack and had open heart surgery in 1971. After that we could see him walking many miles each day to build up his heart.

Paul passed away from cancer December 5, 1986. They were married 38 1/2 years and Helen knows they had a perfect marriage.

Nowadays during warmer weather Helen walks miles around our circle. She also works in her yard many hours each day and her lovely yard shows the care she gives to it.

LEOLA MONTAGUE

7682 Steffensen Drive

Phone 943-2401

Leola was raised in Antimony, Utah, then moved to Richfield when she was 16 years old. She worked for her father in their grocery store in Antimony. Her best girl friend had a brother whom Leola hated. He would tease her and tell her to go home. He joined the Navy and when he came home Leola decided she didn't hate him any more. The feeling must have been mutual because they fell in love and were married. They lived in Richfield, then moved to S.L.

Calvin worked for Safeway and then went to Kennecott where he worked for 36 years. Leola & Calvin loved to go on trips and traveled to Hawaii, Canada, all over Utah and to several of the Western States. Calvin was a hard worker and always kept their yard looking nice.

Leola and Calvin have three children, Brent, Valerie and Mark. They have 13 grandchildren.

Leola and Calvin went through the temple Oct. 6, 1987. Calvin passed away from cancer March 28, 1988. They had a wonderful marriage.

Leola has always been active in the Church and has held many positions, including Primary president, SS co-ordinator, and RS presidency. Leola is the lunch room supervisor at Cottonwood Heights Elementary School and has been there for 27 years. She enjoys all kind of handicraft and arts and crafts.
