BRIGHTON FIRST WARD
BRIGHTON STAKE

JULY 1992

In July we will celebrate "Independence Day" to commemorate the signing of the Declaration of Independence and we will also celebrate and commemorate the arrival of the pioneers in the Salt Lake Valley. The forefathers of our country and the pioneers who made the difficult journey to settle the Salt Lake Valley were brave and courageous people who also must have had great faith.

Faith is to hope for things which are not seen but which are true. To have faith is to have confidence in something or someone. Faith is a principle of action and of power and by it one can command the elements and/or heal the sick or influence any number of circumstances when occasion warrants. Even more important, by faith one obtains a remission of sins and eventually can stand in the presence of God.

All faith must be based upon correct knowledge or it cannot produce the desired results. Faith in Jesus Christ is the first principle of the Gospel and is more than belief, since true faith always moves its possessor to some kind of physical and mental action; it carries an assurance of the fulfillment of the things hoped for. Although faith is a gift, it must be cultured and sought after until it grows from a tiny seed to a great tree as told by Alma.

By faith the gifts of the spirit are given, prayers are answered and men and women become the sons and daughters of God. If we have faith in Jesus Christ, we will also have faith in our Heavenly Father. If we have faith in them, we will also have faith that the Holy Ghost, whom they will send, will teach us all truth and will comfort us.

Mission News

ELDER BRETT SCHARMAN

Exciting things have been happening in the South of France. They just created the first Stake in the Bourdeauz Mission. Elder Boyd Packer was there to preside and Brett tells us it was "incredible". What a wonderful way to end Pres. Andersen's mission, as he will be coming home in July.

Brett & companion had a baptism (that's really exciting in France)-- a man from Gahna, named Johnson.

Brett has been transferred to the "Big City" and has a new companion. He is now serving in Toulouse where they have a ward instead of a branch and a full-size chapel.

Brett really loves being a missionary even though sometimes it isn't easy. The French culture is not a culture of religion so the members have to be especially strong and endure much to be strong in the gospel. Brett is amazed at their love and their spirit. He sends his love to Brighton First Ward.

ELDER ANDREW GLAD

Drew is nearing the end of his mission in Texas and has reached the point of anticipating his arrival home.

He just sent his companion home and has a new companion who will be going home in a month.

Drew is still in Eagle Lake and has been able to place a lot of Books of Mormon but it is slow finding people to teach.

He prays that the seeds they plant will find fertile soil in the minds of those they meet so that they might be ready to teach in the near future.

ELDER GARRETT FREIR

CUB SCOUTS

The Cub Scouts have spent the month going up Millcreek Canyon to attend Cub Country. We went to Casey Jones Junction, Frontier Fort, & Sherwood Forrest. We did activities in each of the camps that went along with the theme of that specific camp. It was a lot of fun.

Our Pack meeting this month was really exciting. We had Bob Neal and his wife Nora bring their snakes to show us. They had two boa constrictors and a python. The python was over 10 feet long. Each of the boys, as well as other family members, were able to hold and touch the snakes.

Andrew Larisch and Janssen Vanderhooft received their Bear badge. Paul Daybell received his Wolf badge. Matt Donaldson received his Faith in God award. Adam Buehner received a silver arrow point.

PRIMARY

The highlight in Primary during the month of June was having King Benjamin come to visit us. We also enjoyed Bishop Beattie's sharing time on Father's Day. Our CTR Class presented a super sharing time, too.

All the Primary workers got together at Bywater Park for a delightful evening. We especially had fun making (rolling) ice cream! Thanks to the Sonntags' for their help in making the ice cream!

We would like to welcome Zanna Clark to Primary.

We appreciate all of our teachers and leaders in Primary. A lot of time goes into preparing lessons and in doing things for the children that let them know how important they are. Thank you for the great jobs that you do!

YOUNG WOMEN

The Young Women had a great month! All of the girls brought their dad's to the church for Father's Day. We had great lasagna and much more. Then we played Bonco. We all had a great time with our Dads.

One week the new presidency watched a show and worked on plans for the month. Then the rest of the girls came and we all made tarts.

One week we went to the Bingham Copper Mine. We collected some rocks then went to a park and had refreshments.

We are looking forward to more great experiences in July.
