HARVEST

BRIGHTON BANNER

OCTOBER 1992

Fall is a time of harvest when various crops which were planted in the spring now bring forth their fruits. It is a time to enjoy the cooler weather and to reflect upon the activities of summer.

The Savior also used the harvesting of crops as an example to teach the principle of sowing good thoughts and deeds to bring about positive results in our individual lives.

In D&C Sec 7:33, He said "Fear not to do good, my sons, for whatsoever ye sow, that shall ye also reap: therefore, if ye sow good ye shall also reap good for your reward".

Paul wrote in Galatians 6:7 "Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap," and in verse nine, "Let us not be weary in well doing: for in due season we shall reap, if we faint not".

Fortunately we don't have to wait for spring to sow the seeds of good deeds. We can and should be doing this on a continual basis. Many good things are brought to fruition by those who notice the needs of others and then act.

I pray that all of us will be anxiously engaged in good works so that we can improve our lives and the lives of those we come in contact with so that we can harvest good deeds and receive the Lord's blessings.

IN REMEMBRANCE

ALEXANDER LOUIS NYTCH

SEPTEMBER 12, 1928--SEPTEMBER 30, 1992

Alexander was born in Binghamton, New York. He married Sharon Bassett December 11, 1953 in Salt Lake City. He served in the U.S. Marine Corps in WWII and the Korean Conflict.

Al was an electrician by trade. He was a genius when it came to repairing electrical motors, etc. If he didn't have a part that was needed he could make one. Al shared this talent with many friends and neighbors and would never accept payment for his service.

Al was very proud of his two sons, Craig and Bob. He supported them in everything they did and took pride in their accomplishments.

Al was an avid outdoorsman. He loved to hunt and hike and be in the mountains. He died September 30, 1992, in the beautiful mountains that he loved so much. He was buried at Wasatch Lawn Cemetery and given a military salute.

We express our love and sympathy to Sharon and Craig and Bob on the passing of their loving husband and father.

CONGRATULATIONS!

Dan & Wanda Mackintosh's son, Judd, has been called to serve as First Counselor in the Brighton 6th Ward.

Mission News

ELDER BRETT SCHARMAN

Brett has been on his mission for a year already. He says it is going so fast----too fast. We have received two quick letters from Brett this month and it was so good to hear that he is still doing great and enjoying his mission.

He and his companion have been quite busy lately. Talence has been quite a tranquil little place--but people are coming home from their summer vacations and the pace is quickening. They recently had another baptism and by now he will have become a priest---so he is making great progress.

The Church has decided that all the missionaries in the world have to wear a bike helmet---so they all got white helmets. Brett says they get teased about them everywhere they go---so they just smile and say "BONJOUR" and ride on their way.

One of the young men in the ward was called to serve a mission in London, England, so they had a "Big Party" for him---and they all made cookies and cakes, etc. The missionaries all sang "I Hope They Call Me On A Mission" in English for him.

Bretts letters are always full of love for the people and places of France--but most of all a love for the "work of the Lord" that he is doing. It is so rewarding and exciting to be a part of changing peoples lives. He loves being a missionary.

AUXILIARIES

PRIMARY

YOUNG WOMEN

We are excited to put on our Sacramento meeting program on Oct. 25th. Please help your children learn their parts. We will be practicing our program in the chapel the two weeks before our program.

We welcome Sally Edwards, Mae Dean Ashton and Bennett Long to our Primary board.

On Wednesday, Oct. 21st we will be having a Halloween activity. The Young Women will be putting on a Spook Alley and there will be games and goodies. Watch for more details to come !

We appreciate all the teachers and leaders in Primary and the tremendous service they do in teaching and loving our Primary children.

September was just great for the YW. The YW of the stake met together and had some great workshops. Then we all left for Aspen Grove. We played games and then had dinner. After that we all showed the skits we had prepared. Then we had a dance. Everyone enjoyed themselves. The next morning we bore our testimonies. Everyone made a new friend and we all had a great time.

Later that month the Young Women had an opening social at the home of Marilynne Donaldson. All the leaders were dressed up with hats, etc. We got to know each other better.

On Sept. 25th the YM/YW did baptisms for the dead. It was such a great experience that we can't wait to do it again.

SCOUTS

The scouts have finished the swimming and life saving merit badges. We will be re-organizing the troop this month.
